

Case Study 6: Supplying 20+ Renault Vans with On-Time, Door-to-Door Delivery

Client Overview

Selkent Fasteners Ltd – A UK business requiring reliable fleet vehicles to support operational demands.

The Challenge

Selkent required competitive pricing, guaranteed delivery timelines, and vehicles delivered ready for immediate use without operational disruption.

The Solution

PureVans sourced competitive Renault van deals, coordinated fixed delivery timelines, and ensured door-to-door delivery in perfect operational condition.

The Results

- 20+ Renault vans supplied
- On-time, door-to-door delivery
- Vehicles delivered in perfect condition
- Ongoing partnership since 2020

Client Testimonial

“Outstanding world class service in supplying the Renault vans, on time, delivered to the door, in perfect order and at unbeatable prices. We’ve used Pure Vans for our fleet since 2020 and never looked back.”
